

Letter of Recommendation: Miss Sasha Singh

To whom it may concern,

I am pleased to write a letter of recommendation for Sasha Singh.

I had gotten to know Sasha during her employment, to which she reported directly to me in the capacity of Graduate Learner within Private Property (Pty) Ltd. As her manager, I have had an opportunity to observe her participation and interaction. She has proven that through hard work, follow through, and teamwork, she can complete tasks in a courteous and timely manner.

She has also shown that she well equipped to grow from challenges that she is presented with and always brings her best effort to any task presented to her. Sasha has also displayed compassion and care towards her peers. She is also a confident individual who believes in her skills and capabilities. She will be an asset to any organization that she joins.

I wish Sasha all the best in her future endeavors.

Sincerely,

M. Singh
