The South African Qualifications Authority (SAQA) is a statutory body, regulated in terms of the National Qualifications Framework Act No. 67 of 2008 and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF). The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

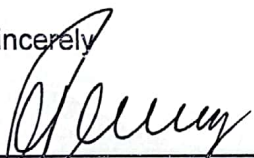

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Bachelor of Commerce in Accounting	Level 07	University of the Free State	2021	Yes

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely

**SAQA'S MISSION**  
To oversee the further development and implementation of the National Qualifications Framework (NQF) and advance its objectives, which contribute to the full development of each lifelong learner and to the social and economic development of the nation at large.
