## To Whom It May Concern

My name is Simphiwe Mbonane, Departmental Head for Sciences at Ekukhuleni Secondary School. Nontobeko Mthembu, ID NO 9703050953082 was one of our most treasured student teachers and now as she begins her new life, I have no doubts that she will achieve the same success that she achieved in our school as a teacher. I am glad to recommend her as a teacher in your school.

Nontobeko was the favourite teacher of most students, mainly due to her calm and friendly nature, something which most students look for in their teachers. She paid equal attention to all students and attended to all the queries they had.

I have always received good feedback from all the parents of the students about Ms. Mthembu. They would especially praise her ability to communicate with the students and the parents as well.

I assure you that Nontobeko Mthembu would be a great addition to your school. Feel free to contact me anytime during office hours on the contacts details given in the letter.
